2015 物流高峰會

REGISTER NOW

Date : 19-20 October 2015
Time : 9:00am-5:00pm
Venue : Hong Kong Science Park

Dear Sir / Madam,

The LSCM R&D Centre is pleased to invite you to join our annual Logistics Summit which will be held on 19-20 October 2015 at Hong Kong Science Park. There are two themes for the Summit this year, namely “The development of eCommerce and eLogistics in Hong Kong” (Day One); and “Latest Location-based Services (LBS) technologies development and future prospect” (Day Two). This two-day summit will feature a number of high-profile industry leading speakers and distinguished professors from the fields of logistics, supply chain management and LBS, to share their insights and best practices. The LSCM Logistics Summit 2015 also serves as a platform for industry players to explore business collaboration opportunities. Registration to the Summit is now open for industry players.
