### **LSCM LOGISTICS SUMMIT 2018**

With the theme of "Actions in the Belt and Road Initiative with Innovation and Technology", the LSCM Logistics Summit 2018 will bring together different industries to excite and inspire participants on how to apply innovative technologies to create positive changes in their industries' operations and capture the opportunities brought by the Belt and Road Initiative. This annual Summit serves as a point of connection for industry practitioners and experts from various fields to explore and share inspiring insights in the related topics such as the Greater Guangdong-Hong Kong-Macao Bay Area Scheme, Robotics & AI applications in various industries, and e-Commerce penetration in Middle East and Africa etc. The Summit also provides a platform for business networking and exchange of ideas amongst fellow industry innovators.
